Police Fired For Giving Homeless Man Feces Sandwich, Wins Appeal on a 'Time' Technicality, Does Feces Stuff Again In Woman's Bathroom, Gets Hired As An Officer In Another Texas Town

👤 sixie6e 📅 February 9, 2023 ✎ Edit

Matthew Luckhurst of San Antonio Police Department was disciplined for the feces sandwich after 180 days. That 180 day window means it all goes away. The next incident, he defecated in a woman's bathroom intentionally without flushing and smeared something all over the seats. He was given a general discharge.

He was then hired by Floresville Police Department. They treat their depraved enforcers like priests

and shuffle them around.

The uniform is not honorable unless every single individual that wears it is. This can never be the case as with any other group label. Blue Stripe Bandits groupies are a reason why police brutality is increasing.
